SOUTH MILLS BRIDGE CLOSURE TO MARITIME TRAFFIC

SOUTH MILLS BRIDGE, DISMAL SWAMP CANAL

From April 22-27, 2026, South Mills Bridge will undergo needed electrical repairs to ensure future reliable service. The facility will be closed to navigation during this time. The lock will reopen on April 28, 2026. Those planning to transit the Dismal Swamp Canal are advised to plan accordingly. Transiting via the Albemarle and Chesapeake Canal is a potential alternative.

Please refer to the Coast Guard Local Notice to Mariners for updates on this project.
